you've got
COLON problems!

90% of the people have a
clogged colon." - Healer

A friend told me once,
"My Dad had to die of colon cancer to wake me
up to the importance of the colon."
It's tragic but few people have a healthy colon.

These two products can
help prevent thousands
from getting **Colon Cancer**.

Dear Friend,

Many health problems start right in the colon. Everything
from indigestion to arthritis to cancer.

Many years ago, the famous Dr. Harvey Kellogg said,
"Of the 22,000 operations I have performed, I have never
seen a single, normal colon."

'Many colons are like a toxic cesspool.'

Neglecting your colon is like begging for cancer.

Believe it or not, many people barely go to the bathroom
for days! A young minister from New Jersey claims to have
a movement ONCE every FOUR days. One woman went
to the bathroom once every week! Many women are like
this. They don't know it, but they are prime candidates for
breast cancer.

'A toxic colon creates toxic blood.'

When your colon is constipated, the cells of your body
can become constipated. Toxins back-up in the arteries, the
veins, and the lymph system. This poisons the blood. In a
literal sense, you become a walking garbage can. You can
carry rotting food in your colon for 5-10 years or more.

People with a clogged colon often have bad breath,
indigestion and a big beer belly. As they say, "*Death
begins in the colon.*" It's true.

Miracle Case History. "For the first time in 24 years, my
bowels are healthy. No more signs of colitis, polyps or
tumors. Everything is healed. The bowels are a pretty
pink. Thank you for these great products!"

"After two weeks, I cancelled my colon operation."
She could barely go the bathroom. Now she goes 2-3
times a day. Her eyes started to sparkle.

Note: For the treatment of any health problem, see your doctor.

"I lost 20 pounds by cleansing my colon.

Finally, my stomach is flat!
I had to buy a new wardrobe." - CA

The #1 Colon Pill in America. ***

The Aleish Colon Pills can offer help to constipation,
hemorrhoids, colitis, gastritis, polyps, Crohn's disease, a
spastic colon, and irritable bowel syndrome. It often
works after the best herbal laxatives fail.

The Colon Pills. This formula will strengthen and
stimulate the colon muscles. Contains cascara sacra, senna,
psyllium, turkey rhubarb, aloes, Oregon grape root,
and sweet elm.

Many people lose 5-10 pounds on the colon pills. This
comes from all that hard, impacted crud lining the colon
wall. You can't exercise this weight off! It has to be
stripped off from within. Many lose that *bloated* feeling
on the colon pills. *Protruding bellies* often vanish.
Headaches often vanish.

The Colon Cleanser cleans and disinfects the bowel.

The second formula, The Colon Cleanser, is used with
the Colon Pills. The Colon Cleanser is made from 33
natural herbs. For best results, use both formulas.
